**Second Annual Trail Ride for Diabetes Scheduled**

The Magic Valley Diabetes Foundation, in conjunction with South Central District Health, Southern Idaho Draft Horse and Mule Association, and Spring Hollow Farm are pleased to announce that the "Second Annual Trail Ride for Diabetes" will take place at Porcupine Springs in the South Hills on September 11, 2004. Registration will start at 8:30 a.m.

Registration fees are \$25 for adults and \$10 for children aged 12 and under. A person rides for free if they raised \$75 in pledges. The ride starts after registration and the event lasts until about 4 p.m. People may ride their own horses, ride in a wagon, or walk. A Dutch oven dinner and entertainment will follow the trail ride. Prizes will be awarded to the top fund raiser and several door prizes will be given away.

The Magic Valley Diabetes Foundation was established in 1993 to help local residents with diabetes through monthly support groups and annual seminars for children with diabetes. The Foundation is comprised of volunteers who strive to educate as many people with diabetes as possible. Funds raised from the trail ride will provide scholarships for children to attend diabetes camps, as well as college scholarships.
